NOTE FOR: DDCI

SUBJECT: Retirement Conference

Our latest reports from Congressional staffers is that the conferees will probably meet once before the Christmas-New Year recess and move to extend the present Congressional deadline for enacting a supplemental retirement bill to April 1986. This will allow them to come back after the New Year to hammer out their differences. This is not a confirmed report--just a possibility.

We will continue to work towards a briefing of HPSCI conferees as soon as possible.
